Hey, big rocker, could you shine the light
'Cause I've lost track of what's wrong from right
It's days like these that I wanna die
It's days like these that make me cry

Oh, babe and I have to say
That I don't know where I'm going

And maybe if I had more money
Maybe if I was more pretty
I'm going in circles when it hits me
That I don't, I don't know where I'm going

And all you big rockers
Stay hot, hot, hot
Looking how they need you
When you're not, not, not

And hey, baby, if I come back
Would you take me back
If I told you that
I haven't changed a bit?

Baby, would you come for me
Would you take me back?
If I told you that
Oh, baby

Hey big world, it's me again
I'm coming right back to be big again
Gonna make it like it was in the beginning
'Cause I'm missing all my fair weather friends

And since you let me go
Wanna let you know
That I don't know
Where I'm going

And maybe if you knew about my history
You wouldn't have been such a big bitch to me
I'm blinded by the lie when I finally see
That I don't, I don't know where I'm going

And how you big rockers
Stay hot, hot, hot
Looking how they leave you
When you're not, not, not

And, hey, baby, if I come back
Would you take me back
If I told you that
I haven't changed a bit?

Baby, would you come for me
Would you take me back?
If I told you that
Oh, baby

Maybe if I had more money
Maybe if I was more pretty
I'm going in circles when it hits me
That I don't, I don't know where I'm going

But I do know that I'm here to stay
Been up, down and sideways
No matter way
I'll stay, I'm staying

I come back
Take me back
When I tell you that
I haven't changed one bit?

Would you go for me?
And take me back
Oh, baby

I come back
Take me back
Would you go for me?
Oh, baby
