Where I am, where I go  
What I do and who I know  
Yeah, take a picture  
'Cause it's always changing

But I wanna hold on to you  
Yes, I wanna hold on to you  
But you still feel like the gasoline  
And you feel like fire

And I'm out on a limb  
I'm giving in  
I'm selling out  
To the pay, to the show

This is my gimmick  
And I wanna win it  
I'm selling out  
I won't fight you no more

Honey bee and honey boo  
I always pictured you  
By my side, forever  
And I can't believe  
That you're gone, now

'Cause I got a love to give  
Yes, I got a love to give  
I got something you should see  
Baby, just come back to me

'Cause I'm out on a limb  
And I'm giving in  
I'm selling out  
To the pay, to the show

This is my gimmick  
And I wanna win it  
I'm selling out  
I won't fight you no more

Oh, don't go away

I want you to stay  
I'ma sing you a song  
Listen to my song  
And I hope that you like it

Oh, don't go away  
I want you to stay  
I'ma sing you a song  
Listen to my song  
And I hope that you like it

Hey, everybody, gather 'round for me  
I know I ain't the same as I used to be  
But there are things that I really need  
There are some people that I wanna meet so

One, two, three let's go  
Four five to the show

Nursery rhymes  
And learn to bask  
Gon' make you dance  
But I cry

'Cause I'm out on a limb  
And I'm giving in  
I'm selling out  
To the pay, to the show

This is my gimmick  
And I wanna win it  
I'm selling out  
I won't fight you no more

I'm out on a limb  
And I'm giving in  
I'm selling out  
For the pay, for the show

This is my gimmick  
And I wanna win it  
I'm selling out  
I won't fight you no more

Oh, don't go away  
(Won't fight you no more)  
I'ma sing you a song  
Listen to my song  
And I hope that you like it  
(Won't fight you no more)

Oh, don't go away  
I want you to stay  
(I wanna win it)  
I'ma sing you a song  
Listen to my song  
And I hope that you like it
