It's been three days since I screamed and hung up on
ya
All I wanted was to hold you tight
I'm sorry baby never meant to be mean to ya
And I hope you call me back tonight
You're hesitating 'cos you don't want another fight
I promise baby, it'll be alright
Truth is all I'm doin' is missin' ya
Thinking about when I'm gonna see you

Hey baby
When I see ya
I'm wanna love you all over the place
Hey baby
When I see ya
I'm gonna kiss you all over your face
Yea, yea
Yea, yea

It's been three days since you screamed and hung up
on me
All you wanted was to hold me tight
Now you're calling to say "Hey" and make up with me
But I think I need a little more time
I'm hesitating 'cos I don't want another fight
And I wanna learn to be alright
Truth is all I'm doing is missin' ya
Thinking about when I'm gonna see you

Hey baby
When I see ya
I'm wanna love you all over the place
Hey baby
When I see ya
I'm gonna kiss you all over your face
Yea, yea

Dance with me
Love me some more
Better than
Slammin' doors
Spread your love

All over my face
When I see ya

Hey baby
Yea baby
I'm gonna
I'm gonna love ya all over the place

When I see ya
I'm gonna love you all over the place
When I see ya
I'm gonna kiss you all over your face
Yea, yea

When I see ya
I'm gonna love you all over the place
When I see ya
I'm gonna kiss ya all over your face
Yea yea
