All the dudes hanging round in their dungarees
Disco girls dancing round to the same old beat
To the dance floor show off your latest routine
Desperate people trying hard to be seen

Discotheque go away don't go back
Discotheque go away don't go back
Discotheque go away don't go back
Discotheque go away don't go back

Dancing feet stamping feet to the bassy sound
No more bands just a bit of plastic spinning around
Wedge shape hairdos and faces shaven clean
Disco belts hanging down over baggy jeans
