"Friends Tell Me Lies"

Visit "[Friends Tell Me Lies](#)" on MotoLyrics.com

Friends keep telling me too many lies
Always take me, by surprise
Knock at the door he's out again
Catch a glimpse of him through the window pane - the
pane

I won't let him get away with that, 'cos
I ain't gonna take non of that crap
I won't let him get away with this, 'cos
I ain't gonna take non of that shit, those lies

Friends keep telling me too many lies
Always take me by surprise
He's stolen something he can't disguise
That look of guilt betrays him through his eyes - his
eyes

Friends keep telling me too many lies
Always take me by surprise
He's been to bed slept with my girl
I catch a glimpse of him through the window pane -
such pane
