Another year of misery  
In perfect harmony, yeah  
All she things that should not be  
Stay tuned to this world  
They do all exist in me  
Reflecting on democracy, yeah  
Another blind man crossed the street  
Full of hopes and naughtity dreams  
Yeah, bound to the war  
I don't wanna hear no more, it's just a  
Screaming memory, yeah  
Screaming memory, yeah  
Screaming memory  
Yeah, too blind for this war  
I don't wanna hear no more, but just a

NEW WORLD, NEW WORLD  
Get all the blind to see  
'Cause the plague is calling  
In our whole world, get me?

NEW WORLD, NEW WORLD  
A brave new world to be  
'Cause the blind man's mission  
In our whole world thr's me  
Screaming memories...

NEW WORLD, NEW WORLD...

Old man starting down the street  
Poor man no will to be, yeah  
Lost everything, oh dear  
Not the day for thee one  
Waiting far in distance  
Settle down and rest in peace  
Shoot 'em down and meet the beast  
Sad and real is the only mission  
And their grinnin' makes you frown  
I'm the plague  
To make your ass go down  
Screaming memories...
