I dunno why you think that you are so brilliant  
You think that you're superior to me  
You may have won the last miss universe contest  
But babe that doesn't mean a single thing

'Cos you - oh you - you make me spew

You're face is covered with a pound of polyfilla  
You say it's just a bit of mascara  
You look like some old whore that's just come out of  
Soho  
The clothes you wear don't help you much at all

Times are hard and I ain't indifferent  
You seem to bring the devil out in me  
The way you always paint your nails  
You're always watching T.V.
