C'mon buddy take your head off now  
C'mon little cutie jump all around  
C'mon everybody go insane  
I say, c'mon everybody we'll rock  
Your brain.  
We gotta boogie  
Boogie, boogie, boogie, boogie, yeah!  
We gotta boogie  
Boogie, boogie, boogie, boogie, yeah!  
Well, it's a mad heads boogie, mad heads beat  
You gonna dance till you burn your feet.  
Now everyone gotta shake & shout  
Now everyone gotta rock around  
C'mon everybody go insane  
I say, c'mon everybody we'll rock  
Your brain.  
Take off your head we'll make it mad  
And to be mad is not really bad  
C'mon everybody go insane  
I say, c'mon everybody we'll rock  
Your brain.
