Is it snow or is it rain
Behind the glass
Got no worry feel no pain
Just tired I guess
In the middle of nowhere
By chance by luck
Sip of freshness breath of air
Look down for fate in your coffee cup
Just around the corner the road
Is calling for me to go
It's the way of life and I don't know
What I'll find on the road
Just around the corner the road
Is calling for me to go
It's the way of life and I don't know
What I'll find behind the door
Faces places drinks of beer
And sleepless nights
Winners losers dreams and fears
Dark spots bright lights
In the middle of somewhere
Next place to stop
Sip of freshness breath of air
Another tune in your coffee cup
