Say goodbye tonight
Just put your hands up
Let me fade away
Into to the night

Forget about calling back
Just release me now

Cuz I can't do this anymore
I can't feel like this anymore
No

I can't wait for another five years
And please don't try to find me again
Cuz it always ends with frustration

I can't do this anymore
I can't feel like this anymore
No

Out
But I want you to know
I need you to know that
I love you
