Some would say  
That this mind has checked out  
Some would say  
They would rather be happy  
Than be sane  
But you say I dream like a child  
Why don't we play pretend  
Switch roles for a while

When we make love  
It's like a murder scene  
When we make love  
It's like a murder scene

She said beware  
I've drawn out our chalk line  
When we're dead I believe  
We'll drink only the finest wine  
Don't ever look into  
Into my conscience  
You wrote me that letter  
To make me feel better  
Lip locked and scented

And we'll make believe  
That it was all honest

When we make love  
It's like a murder scene  
When we make love  
It's like a murder scene

I crawl from the corner  
She gives up the evidence  
I know what I've done wrong  
I gave you my everything...

When we make love  
It's like a murder scene  
When we make love  
It's like a murder scene

When we make love...
