Festive day, celebrated by high-ranks Unaware of danger approaching Autumn winds starts Icv omen Seediq wrath gros, unjust oppression Clan brothers meet, plotting rebellion Colony flag flies Mocking beacon Sons of the Rmdax tasing Silenced voices, inner clamor Accumulations of crippling hate Impossible to forgive Dawn, greets the rising red sun Led by the Elder Rudao Mona Stealth, six clans united To slake their thirst for revenge Breaths cut off, as their heads fall Shades formed as shodows shorten Hunting knives hew down Harvesting deaths Woods shroud warrior attacks Gun smoke marks their hurried passing Breeze sweeps away sadness Clearing the road to fiery hell War Cries signaling the cleansing of enemies Headless bodies Litter the ground Wrath-filled eyes scoured Enemy base of former despots Arrogance tarnished Splattered by red Wushe shaken, red sun flags fallen Umbrage rises from dead comrades Opposing wind seethe Outraged, Provoked Seediq, with unbridled fury Blades stabbing holes, bleeding life Colony flag torn Broken beacon Sons of the Rmdax Tasing Dying gurgles glut their bloodlust

Seasons of scorn and derision Freed by their actions
