In the battle of mother isle, sina gods were defeated to
retreat the sino headquarters raged intensely, decided
to avenge

After attack of the isle, sina gods fell into inferno
The remains gods gathered in the god's hall, showed
the divine power.

Summoned sina gods in frontiers, returned to the
middle land.

G glulin, sina gods of outside hurry back to the middle
land.

Sina gods in occupied lands were summoned to
rushed back.

Sina battalion gave order to put armies in battle array.

The remains sina gods gathered and paraded
Built the altar, ordered by divine power, summoned the
dead. [Taiwanese part]

Sanlong, the master of chaos, rose with anger, blood
pulsed strongly, body moved with illusions, he made
the wind blew violently

Before the altar, he screamed and waved his hands,
air began to whirl

Divine power flowed from sky, his soul flew out of his
body."Build the altar, lead the mortal soul back reverse
the universe, make the dead gods rising,

Burn the holy incense, let my soul to inferno

All dead sina gods, follow my soul for reviving
