Disconnected  
Far above the ground  
You're too close to hear  
That thundering sound

Neglected  
Behind castle wall  
It's your high-wire walk  
It's your kingdom to fall

Rainin'  
God give up the rain  
The way it comes down  
Is a God damn shame

Fadin'  
Fading to blue  
Is distance time  
Is cold as the moon

This is the room where crime scene stays,  
The burning black book of fear tore out a page,  
This is a house where a crime scene's staged

One of these days we'll be walking in the sun  
Some simple day that has not yet begun  
And one of the visions the Devil got away  
And one of these dreams the dead didn't stay

This is a house where crime scene's staged  
The burning black book of fear tore out a page  
This is a room where crime scene's staged

Raining  
God give up the rain  
The way it comes down  
Is a God-damn shame

Fading  
Fading to blue  
Is distance time

Is cold as the moon

This is a room where crime scene stays  
The burning book of fear tore out a page  
This is a house where a crime scene's staged

Neglected, behind castle wall  
It's your high-wire walk, it's your kingdom to fall  
Raining, God give up the rain  
The way it comes down, is a God-damn shame,
