SO YO EL ALBOROTADORE!

Class warpath (3x)

Yeah it's a godless life, here in the shade of heaven  
So you gotta pick the best parts you can get  
And with satisfaction I'm following my track  
Can you feel my eyes burning in your back  
Gotta make your stand 'cause life's a game  
But if you learned the rules it's kinda easy to play  
So I'll be the bomb that explodes under the sun

CHORUS:

I'm gonna take the money and run (2x)  
I'm on a class warpath tonight

Another town, another bank to plunder  
Another ville thats owned by the wrong man  
The sheriff tried to put me six feet under  
But now there's nothing left but his rotten bones  
Gotta make your stand 'cause life's a game  
But if you learned the rules it's kinda easy to play  
So I'll be the bomb that explodes under the sun

CHORUS:

I'm gonna take the money and run (2x)  
I'm on a class warpath tonight

Make it all mine till the morning light

CHORUS:

I'm gonna take the money and run (2x)  
I'm on a class warpath tonight  
I'm gonna take the money and run (2x)  
I'm on a class warpath tonight

Make it all mine till the morning light

My own war, my own war class warpath tonight  
Class warpath  
Stop. Money or life - I take what I can get

That's right man  
BANG!
