Something in the way you love me won't let me be
I don't want to be your prisoner so baby won't you set
me free
Stop playing with my heart
Finish what you start
When you make my love come down
If you want me let me know
Baby let it show
Honey don't you fool around

Just try to understand, I've given all I can,
'Cause you got the best of me

Borderline feels like I'm going to lose my mind
You just keep on pushing my love over the borderline

Borderline feels like I'm going to lose my mind
You just keep on pushing my love over the borderline

Keep on pushing me baby
Don't you know you drive me crazy
You just keep on pushing my love over the borderline

Something in your eyes is makin' such a fool of me
When you hold me in your arms you love me till I just
can't see
But then you let me down, when I look around, baby
you just can't be found
Stop driving me away, I just wanna stay,
There's something I just got to say

Just try to understand, I've given all I can,
'Cause you got the best of me

Borderline feels like I'm going to lose my mind
You just keep on pushing my love over the borderline

Keep on pushing me baby
Don't you know you drive me crazy
You just keep on pushing my love over the borderline

Look what your love has done to me

Come on baby set me free
You just keep on pushing my love over the borderline
You cause me so much pain, I think I'm going insane
What does it take to make you see?
You just keep on pushing my love over the borderline
