You could be a two-time loser
Everybody used to use and abuse ya
But maybe you can turn your life around
I can see that you act like you don't care
In a dead end job going nowhere
Don't you know that only you can keep you down

Coz miracles do happen
If it's feeling wrong you can make it right

(Chorus): It's like walking on water
You can move mountains with some faith
Like walking on water
Don't you see
What you can achieve
If you believe it in your heart
You can walk on water

You can be the man in the mansion
And still feel no better than a has been
If there is no one special in your life
You can be as broke as a joke
And know inside that you'll always cope
If you're the hero in your childrens eyes

Coz miracles do happen
If it's feeling wrong you can make it right

(Chorus x 2)

Walk on water

(Chorus)
