\*\*This is an English translation of the lyrics to the song  
"Weißer Nigger" (White Nigger)\*\*

[MAN]: "Fatma, I love you!" \*[Fatma is an Aryan name]

[WOMAN]: "Oh, thank you! But my name isn't  
Fatma...it's Leila." \*[Leila is an Arab name]

You whore yourself to an Arab swine  
and you honestly think--what?!  
That you are an Arab, when you are not?  
You are completely out of your mind!  
Oh, man!

You are a white nigger, nigger trash!  
Yeahohoo!  
You are a white nigger, nigger trash!  
Yeahohoo!  
You are a white nigger, nigger trash!  
Yeahohoo!  
You are a white nigger, nigger trash!  
You!

Yeahoo!

You are the greatest enemy we have:  
A betrayer of the White race.  
You are the scum of mankind.  
We will soon get you!  
Yeah!

You are a white nigger, nigger trash!  
Yeahohoo!  
You are a white nigger, nigger trash!  
Yeahaha!  
You are a white nigger, nigger trash!  
Yeahohoo!  
You are a white nigger, nigger trash!  
Yeahaha!

Yeeeeeeeeeeeeeeahoo!

However, one day the Fourth Reich shall rise  
Then, our troops will find you where you hide!  
The death squads of the SS and the SD  
will string you up from the nearest tree!  
Yeah!

You are a white nigger, nigger trash!  
Yeahohoo!  
You are a white nigger, nigger trash!  
Yeahohoo!  
You are a white nigger, nigger trash!  
Yeahohoo!  
You are a white nigger, nigger trash!  
Yeahaha!

You are a white nigger, nigger trash!  
Yeahaha!  
You are a white nigger, nigger trash!  
Yeahohoo!  
You are a white nigger, nigger trash!  
Yeahohoo!  
You are a white nigger, NIGGER TRASH!  
Yeahaha!
