I don't believe in this segregation  
This seperation is not a part of our scene  
We're a part of the same thing  
What ever happened to unity?

Don't point your fingers in any direction  
We all have different beliefs  
That's just a fact of life, reality  
Who do you think you are with that elitist mentality??

(chorus)  
Live your own life!  
Don't be the judge of me  
Think twice!  
Before you tell me how to be  
Whose right whose wrong doesn't matter to me!  
It's my life!  
So don't say nothin

I hope you're listening, pay attention  
I'm not one to preach, but if you believe these words  
Then listen carefully  
I'll tell you what i don't believe

I don't believe in descrimination  
Integration.  
I don't judge by look,  
What you eat or drink doesn't matter to me  
It's about respect, equality

(chorus)  
Live your own life!  
Don't be the judge of me  
Think twice!  
Before you tell me how to be  
Whose right whose wrong doesn't matter to me!  
It's my life!  
So don't say nothin

Live your own life!  
Don't be the judge of me  
Think twice!

Before you tell me how to be  
Whose right whose wrong doesn't matter you see!  
It's my life!  
So don't pass judgement on me

I'm tryin to let you know  
Don't let ignorance get the best of you  
Tear down these walls  
They have to fall  
You can't divide us

Hardcore unite us!

(chorus x2)  
Live your own life!  
Don't be the judge of me  
Think twice!  
Before you tell me how to be  
Whose right whose wrong doesn't matter to me!  
It's my life!  
So don't say nothin
