[kirk pone]

Nuff respect's due to the funky crew ribbit  
Bitch burned me with some next shit  
I realize ya straight up fucking someone new  
And all those rumors are so true  
That you been fucking the whole damn crew  
Ya little ribbit  
I am the all around totally extraterrestrial entertaining  
motherfucker  
Let me tell you bitch you burned me with the  
motherfucker  
I was walking through the park one day  
In the merry merry month of may  
And I buck up to this squaw that gave me the funky  
And let me tell you 'bout this pussy, ha ha  
She burned me hard and stiff  
Yes me hard and stiff chubbs, tell them chubbs tell  
them  
Ribbit ribbit

[chubb rock]

Well off we go to the show and flow to the venue  
This little hot bitch was on the menu  
Dance to the tune they said the hoe was a boom  
But I'm married, my ass got carried to the room  
But delph, in layman's language for self  
And I'm in love -- in love with my health  
So honey phone while I click the nick nolte  
And down a can of beer and watch cape fear yeah  
Watch deniro my hero fry like a clown  
It's all for one I hope you have some  
Slown down as the puss from the hot itchy burning little  
stunt  
I bet on is what you really want  
Cause by the cheek smile, eyes that are hazel  
You know who's really vex -- my man nasal  
The nigga who ate the sauteed shrimp and basil  
Bitch stay still I'm not over with you yet  
My man got burnt now it's time to fret  
Airport bathroom I wasn't too far to hear my man go  
Oohhh  
Burning -- yes he's yearning call his folks

911 is a joke -- I can't see through the smoke  
Lyrical monkey son he's stunnin g  
Cause you got the funky
