We like to drink and we like to party  
The VCB always gets a bit naughty  
With the guinness in our hands  
and the buddah in our pants  
We're gonna have a dandy old time  
Seven PM, we're on our way to Lucky Baldwins  
Our pints are ready 'cause the bartender knows us  
Ryan lit up a joint and it stunk up my car  
Now we're tripping all the way to the bar

We're gonna get loose  
Till the sun comes up tomorrow morning  
We're gonna party all night long

We're gonna get loose  
Till the sun comes up tomorrow morning  
We're gonna party all night long

We like to drink and we like to party  
The VCB always gets a bit naughty  
With the guinness in our hands  
and the buddah in our pants  
We're gonna have a dandy old time  
Pass me another one  
The night has just begun  
Pass me the Augustijn  
and I'll be just fine  
If we don't kimp on the tip  
Not one little bit  
Cuco Maluco will keep our drinks  
Fresh like Pachuco

We're gonna get loose  
Till the sun comes up tomorrow morning  
We're gonna party all night long

We're gonna get loose  
Till the sun comes up tomorrow morning  
We're gonna party all night long

It's 2 AM and I can't walk straight  
Last call for alcohol, we'll be okay

Last Hefeweizen, it's on the way  
We'll be okay, we'll be all right  
Yeah, yeah  
Yeah, yeah  
Yeah, yeah  
Yeah, yeah

We're gonna get loose  
Till the sun comes up tomorrow morning  
We're gonna party all night long

We're gonna get loose  
Till the sun comes up tomorrow morning  
We're gonna party all night long
