Am I crazy?  
There are voices in my head  
And I can't stop them  
I'm talking to myself

These conversations get me  
They get me so mixed up  
Even though I trust you  
They tell me doubt, doubt, doubt  
Doubt, doubt, doubt

Is it in my head?  
Is it in my head?  
Are you telling the truth?

Is it in me head  
Or am I falling down a hill?  
Gaining momentum  
Towards the crash at the bottom where it began

Late night phone calls  
Your voice seems unconcerned  
I'm pulling my hair out  
One for every word

Is it all imagination  
I can only wish  
Wouldn't be the first time  
That I've been so confused  
So confused

Is it in my head?  
Is it in my head?  
Are you telling the truth?

Is it in me head  
Or am I falling down a hill?  
Gaining momentum  
Towards the crash at the bottom where it began

Time keeps counting down on me  
Or is it just a dream?

Time keeps counting down on me  
Or is it just a dream?  
Time keeps counting down on me  
Or is it just a dream?

Is it in me head  
Or am I falling down a hill?  
Gaining momentum  
Towards the crash at the bottom where it began

Is it in me head?
