Sometimes it's hard to see  
Good times ahead for you  
With all this hate and greed  
Getting in the way

You should come ride with me  
I know a place for free  
We can run and hide  
Through the day and night

New York or L.A.  
Downtown's the place  
For hearts like ours

Together we're free  
We'll run you and me  
In the city tonight

Somewhere in the city tonight

Well, somewhere in the city tonight  
We'll hide on, we'll be alright  
Well, somewhere in the city tonight  
We'll hide on, we'll be alright

Let's go  
Come on

Let's run the streets near 25th  
Watch the fog roll over that golden gate  
There's time tonight and nothing we can lose

New York or L.A.  
Downtown's the place  
For hearts like ours

Together we're free  
We'll run you and me  
In the city tonight

Somewhere in the city tonight

Well, somewhere in the city tonight  
We'll hide on, we'll be alright  
Well, somewhere in the city tonight  
We'll hide on, we'll be alright

Well, somewhere in the city tonight  
We'll hide on, we'll be alright  
Well, somewhere in the city tonight  
We'll hide on, we'll be alright

Well, somewhere in the city tonight  
We'll hide on, we'll be alright  
Well, somewhere in the city tonight  
We'll hide on, we'll be alright
