We've been fighting way too long now
I don't know if I want to give in or up
The never knowing of it's really starting to bug
One day it's sun then the next day's full of clouds

Well, you never know what you want to do
So this is me telling you

You're so up, down, turnaround
Up, down, turnaround
Every which way, make up your mind

Up, down, turnaround
Up, down, turnaround
Movin' to the left, movin' to the right
Come on, come on you're making me crazy

We've been trying hard not to talk of it
But everywhere we go it rears its ugly head
Sometimes a broken heart is the price that you've gotta
pay
For a love that can sometimes taste so sweet

Well, you never know what you want to do
So this is me telling you

You're so up, down, turnaround
Up, down, turnaround
Every which way, make up your mind

Up, down, turnaround
Up, down, turnaround
Movin' to the left, movin' to the right
Come on, come on you're making me crazy

You're not happy until I'm unhappy
Why?

Well, you never know what you want to do
So this is me telling you

You're so up, down, turnaround

Up, down, turnaround
Every which way, make up your mind

Up, down, turnaround
Up, down, turnaround
Movin' to the left, movin' to the right
Come on, come on you're making me crazy
Come on, come on you're driving me crazy
Turning around
