Haha, It's Madcon, Ye-ea-ea-eah, Wo-o-o-oo  
Freaky like me, Freaky like me, Freaky like me-me-me  
Freaky like me, Freaky like me, Freaky like me-me-me

It was early in the mornin'  
I hear the shower runnin  
I almost can't remember who this girl might be  
And then she came back, I couldn't believe my eyes  
This pretty young thang with her eyes on me  
I know you like it when I put my hands like that  
Whisper in your ear, tell me how you like that  
Gettin' Freaky-eaky that's what I do best  
So come a little closer, come a little closer

No ones gonna do you as freaky like me, freaky like  
me, freaky like  
Freaky like me, Freaky like me, Freaky like me-me-me,  
No-oone  
No ones gonna do you as freaky like me, freaky like  
me, freaky like  
Freaky like me, Freaky like me, Freaky like me-me-me  
No-onee

No-onee

I'm feeling up her thighs  
I'm running down her curves  
I hear my kitty purr as she laid on me  
We windin' and grindin', I (inaudible) advising  
Baby like a fire burning all around me  
I know you like it when I put my hands like that  
Whisper in your ear, tell me how you like that  
Gettin' Freaky-eaky that's what I do best  
So come a little closer, come a little closer  
No ones gonna do you as freaky like me, freaky like  
me, freaky like  
Freaky like me, Freaky like me, Freaky like me-me-me,  
no-oneee  
No ones gonna do you as freaky like me, freaky like  
me, freaky like  
Freaky like me, Freaky like me, Freaky like me-me-me,  
no-oneee

Shawty, know I never ever ever could do  
Do you as good as freaky as I do  
Shawty, know I never ever ever could do  
Do you as good as freaky as I do

You got me going crazy when you do me like that  
Your freaky-eaky got me hooked your ridin track  
Everytime you leave I wanna put you right back  
Come back, I need that, no one can freak me like that  
Mira, Madcon, Ey, no one can freak me like that, Come  
on

No ones gonna do you as freaky like me, freaky like  
me, freaky like  
Freaky like me, Freaky like me, Freaky like me-me-me,  
no-oneeee  
No ones gonna do you as freaky like me, freaky like  
me, freaky like  
Freaky like me, Freaky like me, Freaky like me-me-me  
no-oneeee

Freaky, like me-me-me
