My heart, it beats to your song
A melody sent from God
I can't breathe when you're gone
Yes, I'm deeply in love
(Be my valentine)

Every single day of my life
(My heart is sacrificed)
Night and day, day and night

Today's the day
(Tonight's the night)
I know you feelin' my sound
(I'ma make you clap)

'Cause today's the day
(Tonight's the night)
I'ma lay it down
(I'ma lay it down)

I'ma get up so I can't get down
(I'ma)
Hear me roar, hear my thunder sound
(I'ma, I'ma)

I'm the lord of the underground
(I'ma, I'ma)
Part of the jungle
(I'ma, I'ma, I'ma, I'ma)

Let's glow
(Hands high, hands high)
I can't wait, I can't wait to see ya

Glow
(Hands high, hands high)
'Round the world, 'round the world my people

Glow, glow
(Hands high, hands high)
I can't wait, I can't wait to see ya

Glow
(Hands high, hands high)
'Round the world, 'round the world my people, glow

Let us share this moment
Let's enjoy this night
Get the world connected
Though you one of a kind

See we try to reach out
Get the world to see
Though we all feel different
You are just like me

Today's the day
(Tonight's the night)
I know you feelin' my sound
(I'ma make you clap)

'Cause today's the day
(Tonight's the night)
I'ma lay it down
(I'ma lay it down)

I'ma get up so I can't get down
(I'ma)
Hear me roar, hear my thunder sound
(I'ma, I'ma)

I'm the lord of the underground
(I'ma, I'ma)
Part of the jungle
(I'ma, I'ma, I'ma, I'ma)

Let's glow
(Hands high, hands high)
I can't wait, I can't wait to see ya

Glow
(Hands high, hands high)
'Round the world, 'round the world my people

Glow, glow
(Hands high, hands high)
I can't wait, I can't wait to see ya

Glow
(Hands high, hands high)
'Round the world, 'round the world my people, glow

We free and you so light

Let me see you glow throughout the night
'Cause I wanna dance
(Dance, dance)

Yes, I wanna dance
(Dance)
Tonight

Now put your hands high, hands high
All the people like this go
Hands high, hands high

And I'm telling you wave your
Hands high, hands high!
All around the world, put your
Hands high

Just put your hands high
I'ma, I'ma, I'ma, I'ma

Glow

Let's glow
(Hands high, hands high)
I can't wait, I can't wait to see ya

Glow
(Hands high, hands high)
'Round the world, 'round the world my people

Glow, glow
(Hands high, hands high)
I can't wait, I can't wait to see ya

Glow
(Hands high, hands high)
'Round the world, 'round the world my people, glow

Let's glow
(Hands high, hands high)
I can't wait, I can't wait to see ya

Glow
'Round the world, 'round the world my people

Glow, glow
(Hands high, hands high)
I can't wait, I can't wait to see ya

Glow
'Round the world, 'round the world my people, glow

Let's glow
(Hands high, hands high)
I can't wait, I can't wait to see ya
(I'll be there)

Glow
'Round the world, 'round the world my people

Glow, glow
(Hands high, hands high)
I can't wait, I can't wait to see ya

Glow,
'Round the world, 'round the world my people, glow

Hands high, hands high, jump
Hands high, hands high, jump
Hands high, hands high, jump
Hands high, hands high, jump
