Living one life
You're only getting one life, so live it up
One life
All you get is one life, so live it up
One life

Verse1

Don't let nobody tell you otherwise
Listen to your heart
And let your dreams fly
Never give it up, up, up
And even when you fog it up and give another try
Never give it up, up, up
You gotta beat it
And when it rains it pours just stay the course
Yeah, and even when you think nobody cares
You gotta believe it gets better

Pre-chorus:

When nothings gone right
And the light just won't brighten up
You got nothing left
In your fight
Don't you give it up yeah

Chorus

Nobody's gonna hold me down
Me down
Ya gotta understand
We only have one life
We only have one life

I keep my feet upon the ground
I gotta realise
We only have one life
We only have one life
We're gonna make it
We're gonna make it

Yes weâ€™ve gotta make it work
Yes weâ€™re gotta make it work
Weâ€™re gonna make it
Weâ€™re gonna make it
Yes weâ€™ve gotta make it work
Yes weâ€™re gotta make it work

Verse2:

Ah yeah
While looking at the old me
And thinking back on stuff that all my teachers told me
You know it put that fire in my eyes and though Iâ€™m
blind to the future, Iâ€™mma do it â€™cause I owe me
You know, this grind is my religion
Got tired of modest livinâ€™
Survival was my upbringing
My sky it has no limit
My time is all Iâ€™m giving

Pre-chorus kelly
When nothings gone right
And the light just wonâ€™t brighten up
You got nothing left
In your fight
Donâ€™t you give it up
Yeah

Chorus
Nobodyâ€™s gonna hold me down
Me down
Ya gotta understand
We only have one life
Only have one life
One life

I keep my feet upon the ground
The ground
I gotta realise
We only have one life
We only have one life
Weâ€™re gonna make it
Weâ€™re gonna make it
Yes weâ€™ve gotta make it work
Yes weâ€™ve gotta make it work
Weâ€™re gonna make it
Weâ€™re gonna make it
Yes weâ€™ve gotta make it work
Yes weâ€™ve gotta make it work
