I'm just trying to walk away  
To forget what we felt  
Bury the last thing we said  
That we love each other  
Our last try to make things right

And our last breath has taken a year  
I'm dying now  
And I'm all alone

I just want to find the grace  
Of the love and the hate  
If someday someone from heaven  
Had mercy for our hearts and  
Want to see us happy now  
I hope they don't have  
The doubt to make us one

Our last breath has taken a year  
I'm dying now  
And I'm all alone  
The solution for all this  
Is to kill us now  
To be happy my love

And found us in a eternal dream  
(A eternal dream)  
And found us in a eternal dream  
(A eternal dream)

Oblivion is for losers but you know that I am one of  
them  
The last time we put our hands together, just to cut our  
chains  
The last time will be the sweetest time ever.
