(Verse)

Sweetheart, Iâ€™m changing all those changes that I
made

When I left you

Because I made those changes

When I thought you were untrue

Well now youâ€™re gone and I found Iâ€™m wrong

And thereâ€™s nothing I can do

(Chorus)

Except to change up all those changes

That I made when I left you

To change up all those changes

That I made when I left you

(Verse)

Oh I didnâ€™t stop to think, no

I just left without a care

But now I know Iâ€™m wrong

And I canâ€™t find you anywhere

Well I should have reconsidered

All those things I said I do

(Chorus)

Cause now Iâ€™m changing all those changes

That I made when I left you

Iâ€™m changing all those changes

That I made when I left you

(Bridge)

Thatâ€™s right

Oh now youâ€™re gone and I fond Iâ€™m wrong

And thereâ€™s nothing I can do

(Chorus)

Except to change up all those changes

That I made when I left you

To change up all those changes

That I made when I left you

Iâ€™m changing all those changes

Sweetheart

Iâ€™m changing all those changes

Thatâ€™s right

Iâ€™m changing all those changes.
