Broken windows, empty hallways
A pale dead moon in a sky streaked with grey
Human kindness is overflowing
And I think it's going to rain today

Scarecrows dressed in the latest style
Frozen smiles to chase love away
Human kindness is overflowing
And I think it's going to rain today

Lonely, lonely
Tin can at my feet
Think I kick it down the street
That's the way to treat a friend

Bright before me, signs implore me
Help the needy and show them the way
Human kindness is overflowing
And I think it's going to rain today
