We're the ordinary people,
we don't want to complain,
we're the ordinary people,
we're the ones who they blame.

Why should we fight anymore?
Can't they see, it's not right anymore?

We want a plan for our lives,
and our childrens lives,
our children should not,
play with knives and guns,
and other people's lives.

We're the ordinary people,
we don't want to protest,
we're the ordinary people,
we just want to live and rest.

Why should we fight anymore?
Why should we die in a war?

We want a plan for our lives,
and our childrens lives,
our children should not,
play with knives and guns,
and other people's lives.

We're the ordinary people,
we don't want to complain,
we're the ordinary people,
we're the ones who they blame.

We're the ordinary people,
ah hah huh hah huh,
we're the ordinary people,
ah hah huh hah huh.
