Look at yourself,
and tell me who do you think you are?
you're running around from here to there,
breaking heart after heart.

Didn't you know,
it's all coming back to you?
Didn't you know,
that you're gonna have some heartaches too?

'Cause you're the fool,
for thinking everybody's a fool for you, baby.
You're the fool,
for thinking everybody's a fool for you.

And I bet you've been thinking,
that you're outta sight.
Well it won't be long now,
before what you're thinking will be right.

But you're gonna lose,
'cause your love gonna lose out,
you'll be the one,
the one nobody's talking about,

'Cause you're the fool,
for thinking everybody's a fool for you, baby.
You're the fool,
for thinking everybody's a fool for you.

Don't it make you feel good,
to know you've got a lot of hearts on a string.
But when you get down to it baby,
it don't mean a thing.

You're gonna learn child,
you'll learn by being alone.
You'll soon find out,
that what you're doing must be wrong.

'Cause you're the fool,
for thinking everybody's a fool for you, baby.

You're the fool,
for thinking everybody's a fool for you.

Honey
You're the fool,
for thinking everybody's a fool for you, baby.
You're the fool,
for thinking everybody's a fool for you.
