My hands shake 'cause today,
I know you're gonna break my heart and,
My life without you in it
Is a life that's not worth living.
I'll be strong but I wish I was someone else,
Anyone but me, tonight.

Here I stand (Here I stand)
On my own, (Here I stand)
Tonight (Here I stand)
You know I wish I was strong enough to breathe (Here I
stand)
Without you, (Here I stand)
In my life, (Here I stand)
You know I wish I was anyone but me.

So I'll start to pretend I'm ok
But you should know by now that
My life is smoke and mirrors,
One thing is crystal clear
That I'm the one wishing I was someone else,
Anyone but me tonight.

Here I stand (Here I stand)
On my own, (Here I stand)
Tonight (Here I stand)
You know I wish I was strong enough to breathe (Here I
stand)
Without you, (Here I stand)
In my life, (Here I stand)
You know I wish I was anyone but me.

(Where do we go?) (Where do we go?)

Inside I start to fall apart. (Where do we go?)
And I'll pretend I'm holding on (Where do we go?)
I guess I'll bleed in silence.(In silence)
I guess I'll bleed in silence.

Here I stand (Here I stand)
On my own, (Here I stand)
Tonight (Here I stand)

You know I wish I was strong enough to breathe (Here I stand)
Without you, (Here I stand)
In my life, (Here I stand)
You know I wish I was anyone but me.

(Here I stand)
On my own, (Here I stand)
Tonight (Here I stand)
You know I wish I was strong enough to breathe (Here I stand)
Without you, (Here I stand)
In my life, (Here I stand)
You know I wish I was anyone but me
