Stare down at the sky
Start to wonder how
These things won't work out
It leaves me feeling down
You follow the road
Never letting go
These feelings are intangible
And I can't let go

Since when did hugs hurt?
I feel so alone
Since when did hugs hurt?
Lying on the floor

Since when did hugs hurt?
I feel so alone
Since when did hugs hurt?
Lying on the floor

So how many times
I fell asleep at night
Just thinking of you
I'm starting to lose
Counting the days
Your picture starts to fade
You were my only friend
I think I'll let go

Since when did hugs hurt?
I feel so alone
Since when did hugs hurt?
Lying on the floor

Since when did hugs hurt?
I feel so alone
Since when did hugs hurt?
Lying on the floor

Since when did hugs hurt?

Memories of the past we had

Needles in my back
Forgotten hopes of you

Memories of the past we had
Needles in my back
Forgotten hopes of you

Since when did hugs hurt?
Since when did hugs hurt?
Since when did hugs hurt?
Since when did hugs hurt?
