And when you're wrong about yourself again I'm sorry
I must be tripping over something that I said
C'mon you must have noticed
I didn't try to hide this
How did you just forget me?
Standing on the porch at your house in New Jersey

Don't you don't you don't you don't you leave
Don't you don't you hate that she's not sorry?
Don't you don't you don't you don't you leave
Don't you don't you hate that she's not sorry?

And I, I saw it all along I saw it all a..

When now a simple misconception
A promise for redemption
A note that says you're leaving
A heart is barely beating
P.S. please don't call
P.S. please don't write
P.S. cause I don't ever speak to you against you

Don't you don't you don't you don't you leave
Don't you don't you hate that she's not sorry?
Don't you don't you don't you don't you leave
Don't you don't you hate that she's not sorry?

Won't you back up and leave?
Can't you take time to breathe? (x2)

Don't you don't you don't you don't you leave
Don't you don't you hate that she's not sorry?
Don't you don't you don't you don't you leave
Don't you don't you hate that she's not sorry?
