No wonder you feel so alone  
In this house in this home  
Beyond all the differences go  
Outside in the sun

It's June I swear it feels so good  
It's June  
I care if sun's too hot for you  
It's June come on and let it groove

So put on a jacket and come  
I drive you in my car  
I show you how different they are  
Just look through the sun

It's June I swear it feels so good  
It's June  
I care if sun's too hot for you  
It's June come on and let it groove
