Verse 1

Here comes the last day
When we say goodbye
Here comes the last time
I get to look in your eyes
I'm stuck in this moment
I'm gonna have to choose
It's too late now
To say I love you

Chorus

Now I'm gone
And you're movin on
You're still here
This is my biggest fear
Cuz I know you
You've found someone new
But I still love you

Verse 2

12 hours before
You said u loved me
11 o'clock this morning
You're setting me free
All you have are excuses
They're not even right
Baby I refuse
To go without a fight

Repeat Chorus

Bridge

And you're gone and I know
I need to let u go
Just get out of my life
I need to realize
That I can't love u

Revised Chorus

Now you're gone
And I'm finally moving on
And you're nowhere near
I've cried my last tears
I never knew you
I guess it's true
No I'll never hate you
I don't wanna fight you

I just don't love you
