Verse 1

Feels like ages ago
That you let me go
That you set me free
Boy you killed me
I loved you for so long
This decision feels so wrong

Chorus

I'm not sure what to do
Cuz I'm not over you
I'm broken inside
I fix it all with a lie
I wish that you could see
You were my one and only

Verse 2

Your brown eyes shine in the dark
You can't tell you broke my heart
Can't hold on any longer
To something I never had
There are tears in my eyes
Can't count the times that I've cried

Repeat Chorus

All our times together
Never seem to matter
To me you caused the hurt
How to love again I'm not sure
Only I feel that pain
Nothing ever feels the same
You were my one and only
Repeat Chorus 2x
