#### Verse 1

You sit alone in your room  
Wondering what's going on  
How can you do something right  
If the right is in the wrong  
You may be judged by other people  
You don't know what it's like  
To go into the battle without putting up a fight

#### Chorus

Keep on movin  
Keep on fightin  
Just keep pushin on till the sun stops shinin  
Never lose heart  
Never lose faith  
Never keep holdin on to yesterday

#### Verse 2

As you watch your life pass bye  
You think to yourself and you wonder why  
The world always has to be so cold  
You're getting discouraged  
You're feeling worthless  
You don't know what to do

#### Repeat Chorus

#### Bridge

Every single day you feel like no one cares  
What you do or what you think doesn't matter at all  
The truth is that your wrong and I'll say

#### Repeat Chorus 2x

Never keep holdin on  
To yesterday
