No wonder you feel so alone
In this house in this home
Beyond all the differences go
Outside in the sun

It's June I swear it feels so good
It's June
I care if sun's too hot for you
It's June come on and let it groove

So put on a jacket and come
I drive you in my car
I show you how different they are

Just look through the sun

It's June I swear it feels so good
It's June
I care if sun's too hot for you
It's June come on and let it groove
