

Madita "Monotony"

Visit "[Monotony](#)" on MotoLyrics.com

Life becomes so flat, oh no
Comes and goes an goes just up and down
Never getting fat, not for long
Comes and goes an goes just up and down

Pretending to death
Screaming as loud as I can
Steamy toilet
Fleeing as fast as I can

Diao, didiao
Love becomes a minor
Diao, . . .
Stepping into final

Love has touched me yes, not for long
Comes and goes an goes just up and down
Everything got messed, so long
Comes and goes an goes just up and down

Defending my breath

Breathing as fast as I can
Steamy toilet
Dreaming upset as I am

Diao, didiao
Love becomes a minor
Diao, . .
Stepping into final

Screaming IÃfÂ,'m screaming
Upset as IÃfÂ,'m feeling
I guess IÃfÂ,'m just dreaming and though
I know
IÃfÂ,'m dreaming and dreaming for sure
But scared to beat it all
