If you wanna love me  
Baby, then just love me  
You can, you can, you can  
If you wanna make it  
Baby, simply take it  
You can, you can, you can  
Darling, how you can

Don't keep love a secret  
Teach me how to reach it  
You can, you can, you can  
Don't you keep me yearning  
Show me all your learning  
You can, you can, you can  
Darling, how you can

Share the night together  
Make it last forever  
You can, you can, you can  
Show me all your passion  
Loving and affection  
You can, you can, you can  
You can, you can, you can  
Darling, how you can

Tenderly  
Fill me with ecstasy  
Heavenly  
Feeling the need in me

Share the night together  
Make it last forever  
You can, you can, you can  
Show me all your passion  
Loving and affection  
You can, you can, you can  
Darling, how you can

Tenderly  
Fill me with ecstasy  
Heavenly  
Feeling the need in me

Don't keep love a secret  
Teach me how to reach it  
You can, you can, you can  
Don't you keep me yearning  
Show me all your learning  
You can, you can, you can

Share the night together  
Make it last forever  
You can, you can, you can  
Show me all your passion  
Loving and affection  
You can, you can, you can  
You can, you can, you can  
Darling, if you can, can, can  
Can, can, can  
Can, can, can  
Can, can, can  
Can, can, can  
Can, can, can  
Can, can, can  
Can, can, can  
Can, can, can  
Can, can, can
