Here they come again hop scotching up to my door  
One by one again knockety knock knocking upon my  
floor  
Swinging on my gate they gain entry by the yard  
Pulling at my hair they scream paint your thoughts  
upon my card  
But not tonight I've got studies to examine  
Tomorrow I'll be watching all the Queen's men  
A talent contest on Monday with my Uncle Sam  
Who now takes up all of my time he gives me things to  
do  
'Cause he's a wonderful man  
But I'm sailing across the sea to see my Uncle Sam  
I'm sailing across the sea to be with my Uncle Sam  
To be with my Uncle Sam  
Silly little sniggers from the women liberators  
But I'll stand and hold my post  
Polished buttons and erect I'll raise the flag  
I'll show those women who's the most  
But not tonight I've got studies to examine  
Tomorrow I'll be watching all the Queen's men  
A talent contest on Monday with my Uncle Sam  
Who now takes up all of my time, gives me things to do

He's a wonderful man  
But I'm sailing across the sea to see my Uncle Sam  
I'm sailing across the sea to be with my Uncle Sam  
I'm sailing across the sea to see my Uncle Sam  
I'm sailing across the sea to be with my Uncle Sam  
But not tonight I've got studies to examine  
Tomorrow ah ah ah  
And tomorrow I'll be watching all the Queen's men  
A talent contest on Monday with my Uncle Sam  
Who now takes up all of my time he gives me things to  
do  
'Cause he's a wonderful man  
I'm sailing across the sea to see my Uncle Sam  
I'm sailing across the sea to be with my Uncle Sam  
I'm sailing across the sea to see my Uncle Sam  
I'm sailing across the sea to be with my Uncle Sam
