Received a letter just the other day  
don't seem they wanna know you no more  
they've laid it down given you their score  
within the first two lines it bluntly read

You're not to come see us no more  
keep away from our door  
don't come around here no more  
what on earth did you do that for?

Our aunt she don't wanna know she says  
what will the neighbours think they'll think  
we don't that's what they'll think we don't  
but i will 'cos i know they think i don't

Our uncle he don't wanna know  
he says we are a disgrace  
to the human race  
he says how can you show your face  
when you're a disgrace to the human race

they've made a commitment  
you're an embarrassment  
yes an embarrassment  
a living endorsement  
the intention that you have booked  
was an intention that was overlooked

They say stay away  
don't want you home today  
keep away from our door  
don't come around here no more

Our dad don't wanna know he says  
this is a serious matter  
too late to reconsider  
no one's gonna wanna know ya

Our mum she don't wanna know she says  
i'm feeling twice as old she said  
thought she had her head on her shoulders

'cos i'm feeling twice as older  
i'm feeling twice as older

You're an embarrassment

(corrected the 3d and the 7th verse)
