I know there's time  
I know there's time  
I know there's time  
I know there's time

If I didn't care more than words can say  
If I didn't care would I feel this way?  
If this isn't love then why do I thrill?  
And what makes my head go round and round  
While my heart stands still?

If I didn't care would it be the same?  
Would my every prayer begin and end with just your  
name?  
And could I be sure that this is love beyond compare?  
Would all this be true if I didn't care for you?  
If I didn't care

I know there's time  
I know there's time  
I know there's time  
I know there's time

If I didn't care  
If I didn't care more than words can say  
If I didn't care would I feel this way?  
And if this isn't love then why do I thrill?  
And what makes my head go round and round  
While my heart stands still?

I know there's time  
I know there's time  
I know there's time for us  
I know there's time

I know there's time  
I know there's time  
I know there's time for us  
I know there's time

I know there's time  
I know there's time

I know there's time for us  
I know there's time
