(McPherson/Madness)

There is such confusion in my mind,  
To play your illusion is so unkind,  
I didn't know who you were this afternoon,  
You said that it didn't matter and I'll see you soon.  
Standing here in the rain,  
Maybe the weather will change again,  
Change again or stay the bleeding same.  
How I met you in the first place I'll never know,  
But now I think I know you you're telling me to go, ho,  
ho,  
You said you'd be back you told me to wait here just in  
case,  
But then you never arrive and I'm waiting outside your  
place.  
Standing here in the rain,  
Maybe the weather will change again,

Change again or stay the bleeding same.  
Standing here in the rain,  
Maybe the weather will change again,  
Change again or stay the bleeding same.  
There is such confusion in my mind,  
To play your illusion is so unkind,  
I didn't know who you were this afternoon,  
You said you said that doesn't matter I'll see you soon.  
Standing here in the rain,  
Maybe the weather will change again,  
Change again or stay the bleeding same.
