(McPherson/Smyth)

The windows are open wide  
Georgie Fame for those outside  
And answering the call  
Blue flames leap up the wall  
Who would have thought it strange  
That all of us would change  
Out there in the hall  
The shadows leave the wall  
Then we had the plan  
Back when it began  
And as we turn we know  
That one of us will go  
(Would you) dance with a mad man, mad man, mad  
man  
Over the hills and far away  
Arm in arm  
Mad not mad  
A star-spangled sight  
Silhouettes at night  
Dancing over Big Ben  
Seven ragged men  
Up up and away  
Forever and a day  
(Would you) dance with a mad man, mad man, mad  
man  
Over the hills and far away  
Arm in arm

Mad not mad  
Dance with a mad man, mad man, mad man  
Beyond the reach of yesterday  
What are we but our friends  
Mad not mad  
(Mad not mad)  
Hello crazy gang  
Goodbye with a bang  
What are we but our friends  
Sailing round the bend  
In love through thick and thin  
I know it will all win  
(Would you) dance with a mad man, mad man, mad

man  
Over the hills and far away  
Arm in arm  
Mad not mad  
Dance with a mad man, mad man, mad man  
Beyond the reach of yesterday  
What are we but our friends  
Mad not mad  
Dance with a mad man, mad man, mad man  
As only you can  
Enjoying his company
