Night boat to Cairo

It's just gone noon, half past monsoon  
On the banks of the river Nile  
Here comes the boat only half afloat  
Oarsman grins a toothless smile

Only just one more to this desolate shore  
Last boat along the river Nile  
Doesn't seem to care, no more wind in his hair  
As he reaches his last half mile

The oar snaps in his hand before he reaches dry land  
But the sound doesn't dampen his smile  
Just pokes at wet sand with an oar in his hand  
Floats off down the river Nile, floats off down the river Nile

[Incomprehensible]
