Trying hard, I thought I'd done my best  
All my life, I can't get no rest  
Some who've closed the door before  
Say I can't carry on no more.

I hear them saying  
Tomorrow's just another day  
I hear them saying  
And it gets better every day  
I hear them saying  
Tomorrow's just another day

Listened long, tried to take it in  
All these facts leave me in the swim  
It's down and down there is no up  
I think that I've run out of luck.

I hear them saying  
Tomorrow's just another day  
I hear them saying  
And it gets better every day  
I hear them saying  
Tomorrow's just another day  
Tomorrow's just another... day

Walking now, over covered ground  
There is a chance if I move around  
I need a moment to reflect  
On the friendships I have wrecked.

Why is it I(???) don't I always try ?

I hear them say  
Tomorrow's just another day  
I hear them say  
And it gets better every day  
I hear them say  
Tomorrow's just another day  
I hear them say  
And it gets better every day  
I heard them say  
Tomorrow's just another day

I hear them say  
Tomorrow's just another day  
Tomorrow's just another...

I hear them saying  
Tomorrow's just another day  
I hear them saying  
And it gets better every day  
I hear them saying  
Tomorrow's just another day
