Here they come again, hop scotching up to my door
One by one again, knockety knock knocking upon my
floor
Swinging on my gate, they gain entry by the yard
Pulling at my hair they scream, paint your thoughts
upon my card

But not tonight I've got studies to examine
Tomorrow I'll be watching all the Queen's men
A talent contest on Monday with my Uncle Sam
Who now takes up all of my time, he gives me things to
do
'Cause he's a wonderful man

But I'm sailing across the sea to see my Uncle Sam
I'm sailing across the sea to be with my Uncle Sam
To be with my Uncle Sam

Silly little sniggers from the women liberators
But I'll stand and hold my post
Polished buttons and erect I'll raise the flag
I'll show those women who's the most

But not tonight I've got studies to examine
Tomorrow I'll be watching all the Queen's men
A talent contest on Monday with my Uncle Sam
Who now takes up all of my time, gives me things to do
He's a wonderful man

But I'm sailing across the sea to see my Uncle Sam
I'm sailing across the sea to be with my Uncle Sam

Sailing across the sea to see my Uncle Sam
I'm sailing across the sea to be with my Uncle Sam

But not tonight I've got studies to examine
Tomorrow, and tomorrow I'll be watching all the
Queen's men
A talent contest on Monday with my Uncle Sam
Who now takes up all of my time, he gives me things to
do
'Cause he's a wonderful man

Sailing across the sea to see my Uncle Sam
I'm sailing across the sea to be with my Uncle Sam

I'll go sailing across the sea to see my Uncle Sam
I'm sailing across the sea to be with my Uncle Sam

I'll go sailing across the sea to see my Uncle Sam
I'm sailing across the sea to be with my Uncle Sam
I'm sailing across the sea to see my Uncle Sam
